EDUCATION

The University of Texas at Dallas

Aug 2022 - May 2025

Bachelor of Science in Computer Information Systems

- GPA 3.70

TECHNICAL SKILLS

- **Languages:** Java, C#, JavaScript, CSS, HTML, SQL
- **Technologies:** ASP.NET, Entity Framework, SQL Server Management Studio, Git/GitHub, React, DevExpress, Azure DevOps Server, Visual Studio, VS Code

EXPERIENCE

Software Engineering Intern

May 2024 - Aug 2024

Daisy Brand

Dallas, TX

- Engineered a dynamic full-stack web application, streamlining internal data management by enabling users to select, modify efficiently, and store records in a SQL database, with real-time updates visualized in an interactive DevExpress grid.
- Developed the design of a notification clean-up service, reducing email spam across the IT department by identifying and resolving error log-related issues and enhancing team productivity.
- Actively collaborated with cross-functional teams, utilizing Azure DevOps Server for agile project management, tracking progress, and delivering timely updates on work items.
- Technologies: C#, JavaScript, HTML, CSS, ASP.NET MVC, Entity Framework, SQL Server, Git, DevExpress, and Azure DevOps.

PROJECTS

To-Do List Full Stack Application

- Technologies: C#, JavaScript, ASP.NET MVC, Entity Framework, Bootstrap, HTML, CSS, SQL Server
- Developed a responsive and user-friendly web application that allows users to create, update, and manage their daily tasks efficiently.
- Implemented a back-end using ASP.NET MVC and Entity Framework for CRUD operations and data persistence in a SQL Server database.
- Ensured a responsive design and clean user interface with Bootstrap for a consistent look across devices.
